Grounds and Greens - Finished up machine maintenance, overseeded #3 and #8 approaches and #4,5,9 fairways. Painted ball washers and trash cans the same color of green. Put out new flags, flag sticks, and new cups on greens. Sprayed greens twice, irrigation is working good, spread crabgrass preventer on everything but areas with new grass seed. Stump grinding should be done by the end of the week. Received mulch and putting around course. Ordered more rakes for the sand traps. The grass behind #6 green is getting worn down, we will stake off limits. Looking for someone to service mechanical maintenance on golf carts, will be trading in 3-4 golf carts for newer ones-Dan Parker to check on this.

Sports - Men's league has started, Women's league to start next week, planning on the Stag this year.

Buildings - Maintenance shed needs new roof, Conzett will check on this. Also will add a new walk-in door to the shed. There has been some requests for an outdoor patio above the existing small outside one. Nolan will get plans and quotes to see if feasible.

Bar and Grill - Will need a new stove and cash register and white board outside the front of the clubhouse.

Old business - Will be replacing the range mats.

New Business - #8 fountain pond pump might have a ground fault as the circuit keeps tripping out. Our loan has been changed from the Albany bank to the Central Fulton Bank for better rates.

Motion to adjourn by Housenga, 2nd by Fogel and passed.

Respectfully submitted by Brian Conzett, secretary.
